Objects identified: ['cardboard box, cardboard']

Image Generation Prompt: Cozy living room with cardboard furniture, warm lighting, whimsical atmosphere.

Steps: ```html **Step 1:** Create the basic structure. Cut and assemble cardboard to form the shelves. Use the cardboard box as a base for added strength and stability. **Step 2:** Add support. Reinforce the shelves with additional cardboard pieces or other strong materials, like small wooden blocks or dowels if available. **Step 3:** Decorate. Cover the cardboard shelves with decorative paper or paint for a polished look. Consider adding extra details like small LED lights. **Step 4:** Placement. Mount the shelves to the wall securely, and arrange your plants and decorative items. ```
